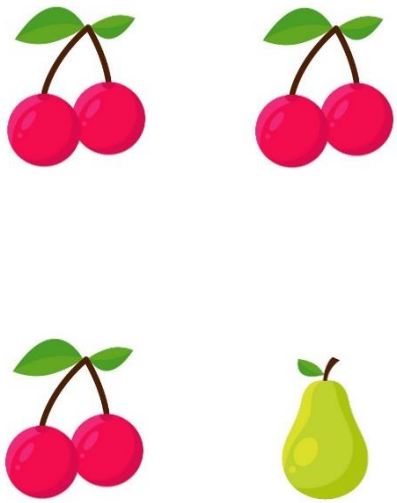
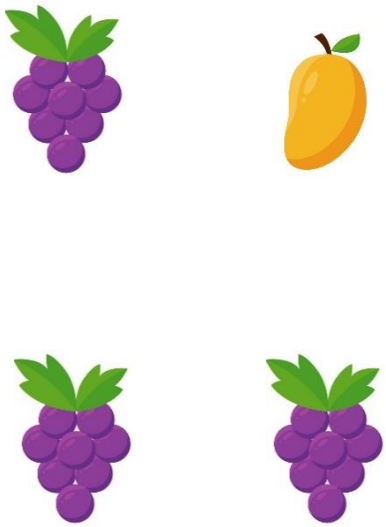
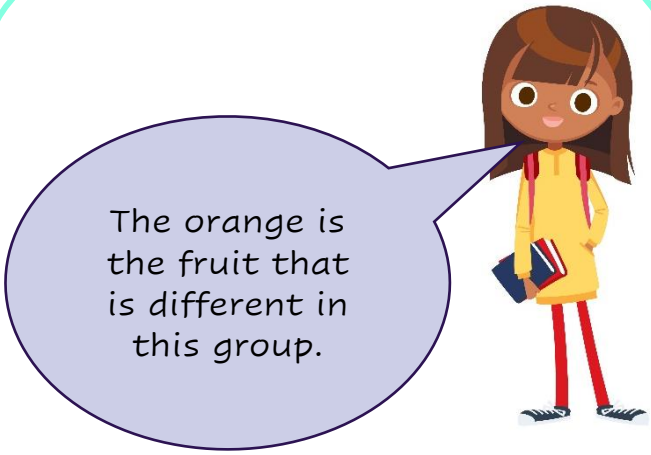
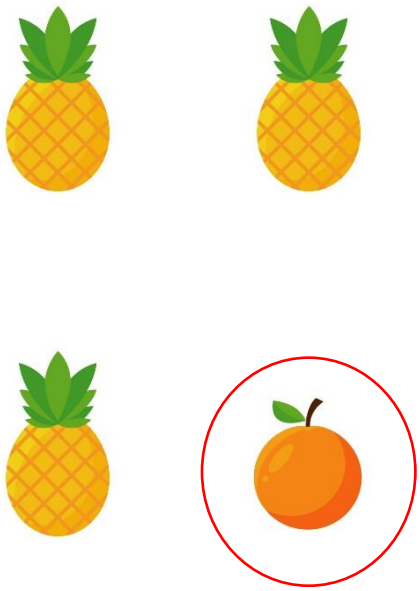
1. Circle the one that is different in each group.



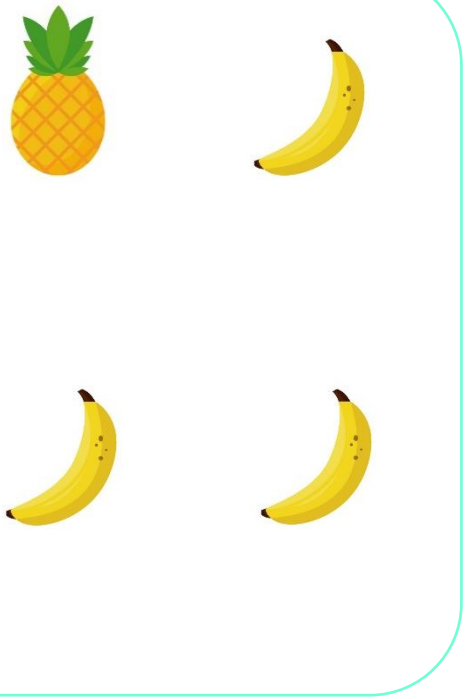


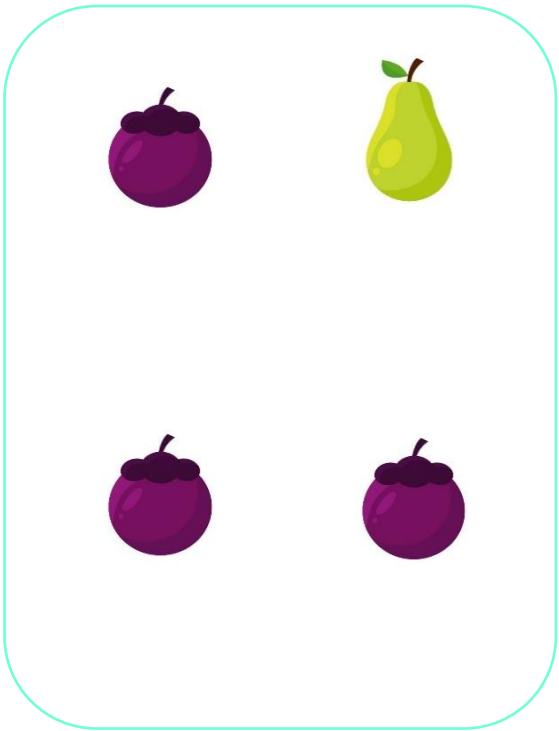


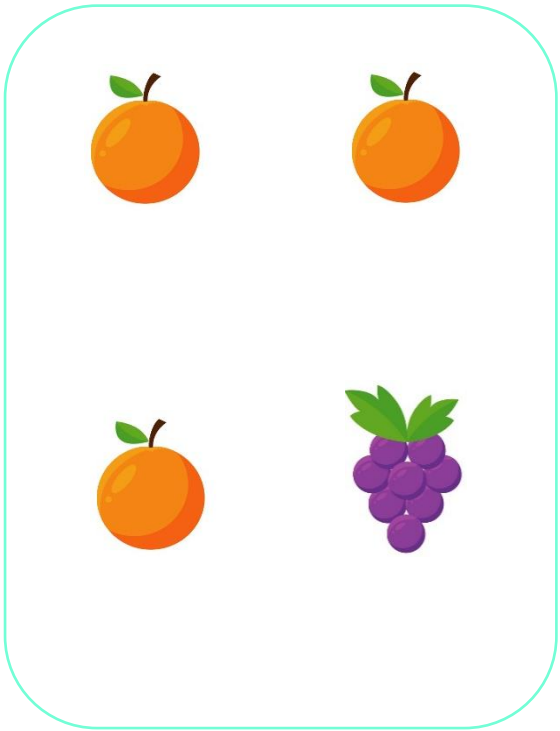


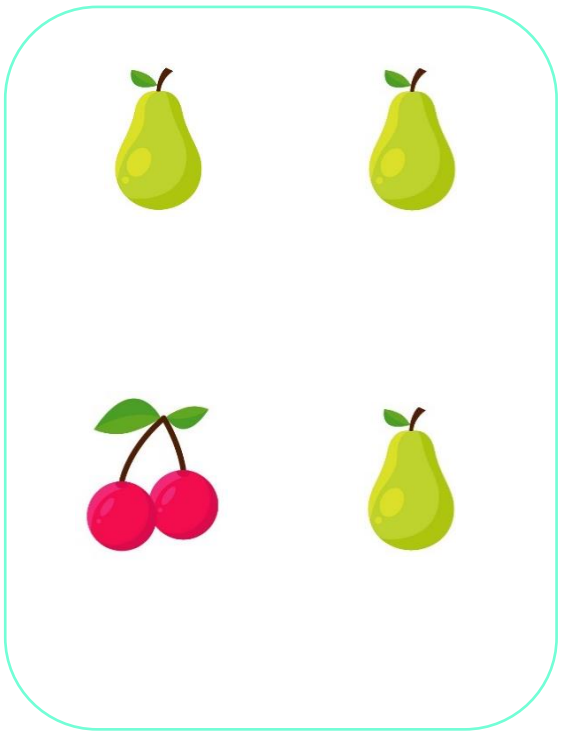
Co-funded by the European Union

Erasmus+
Enriching lives, opening minds.

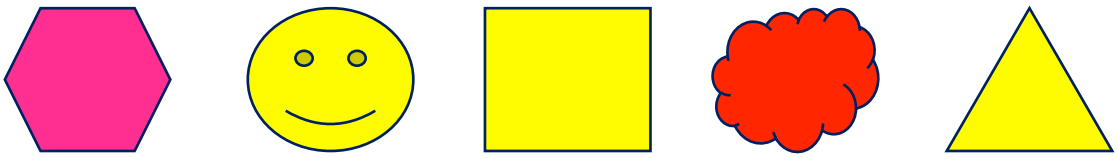


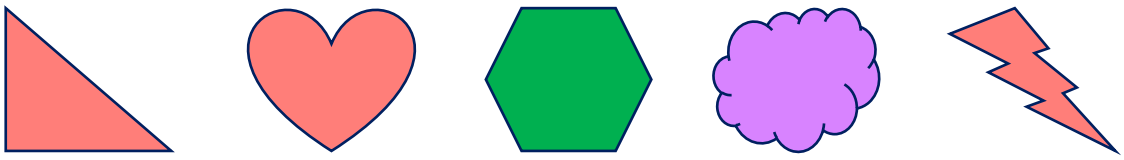


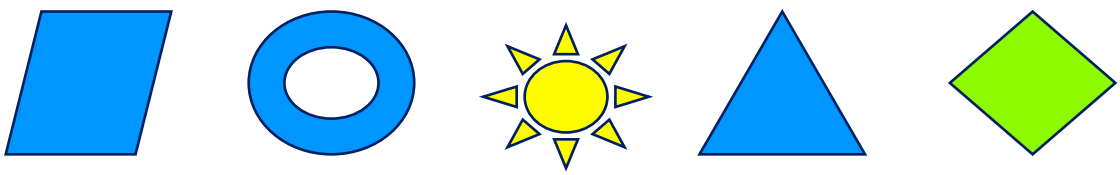




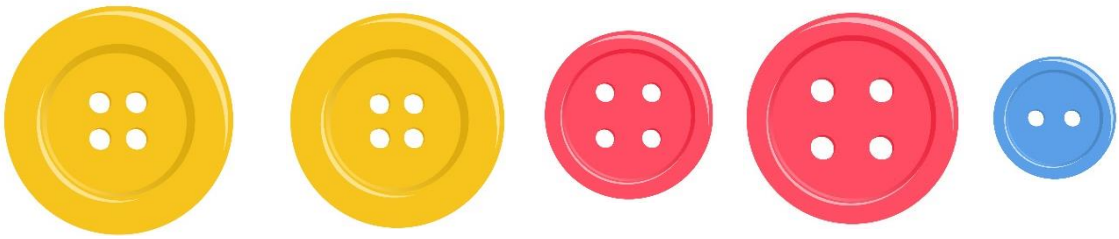
2. Circle the objects that have the same color.

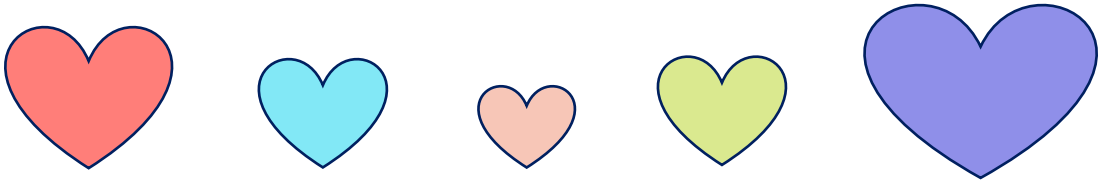




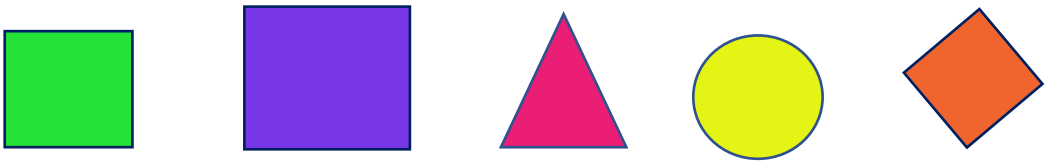


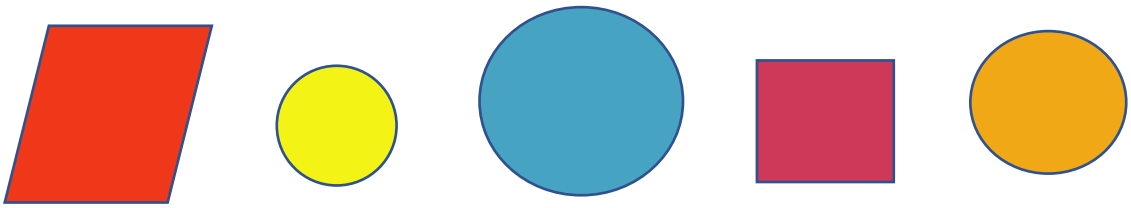
3. Circle the objects that have the same size.

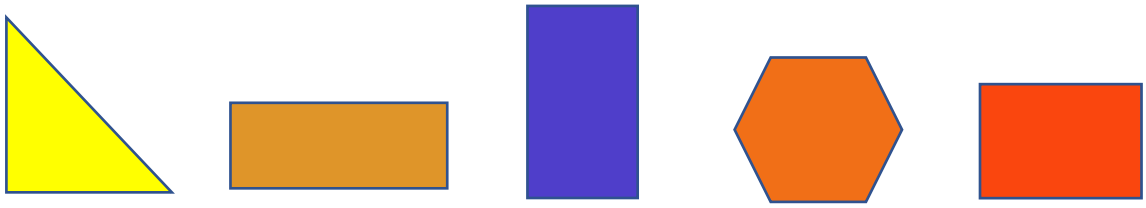




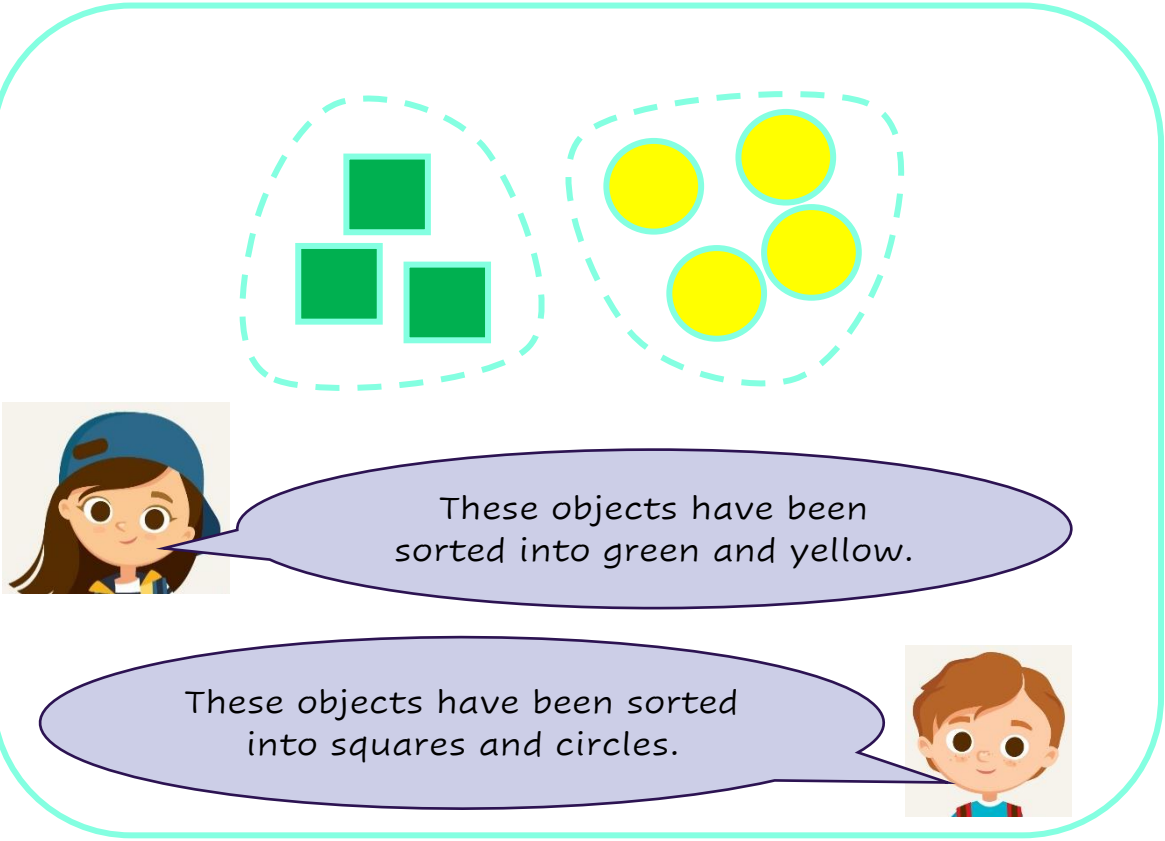
4. Circle the objects that have the same shape.

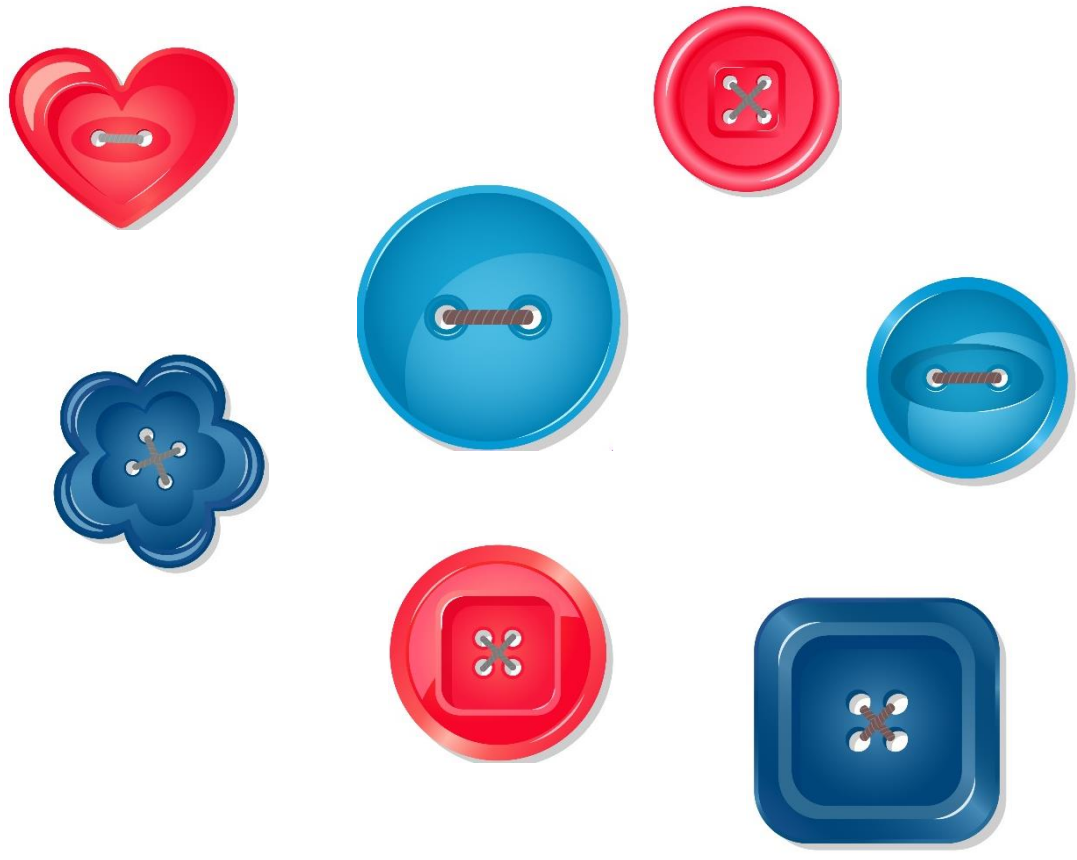




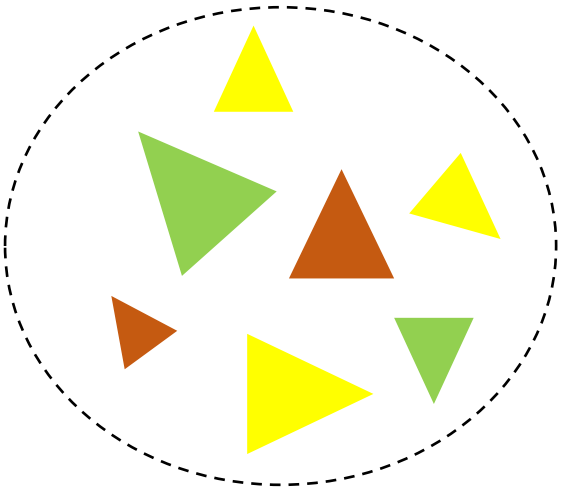


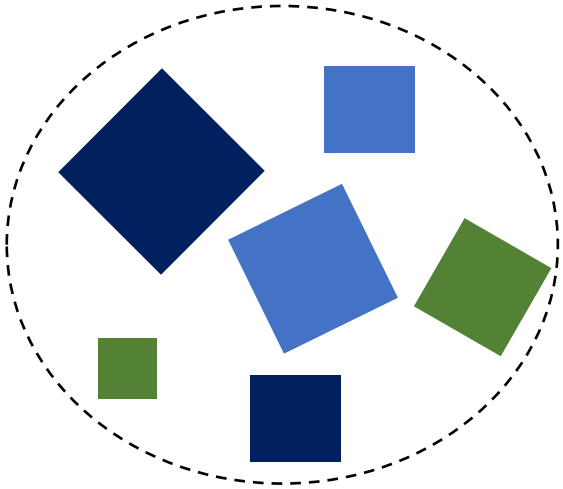
5. Tell how the objects can be grouped

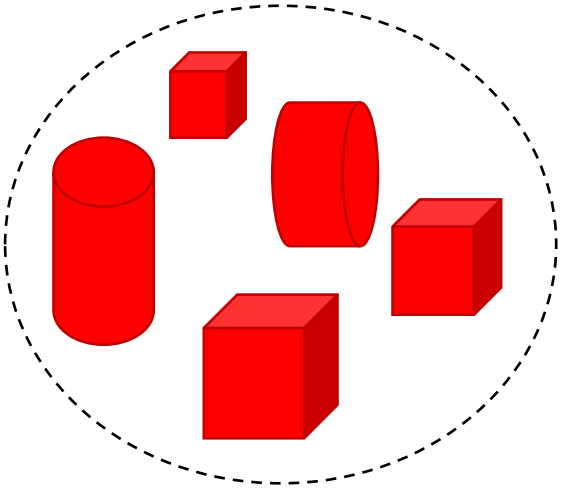


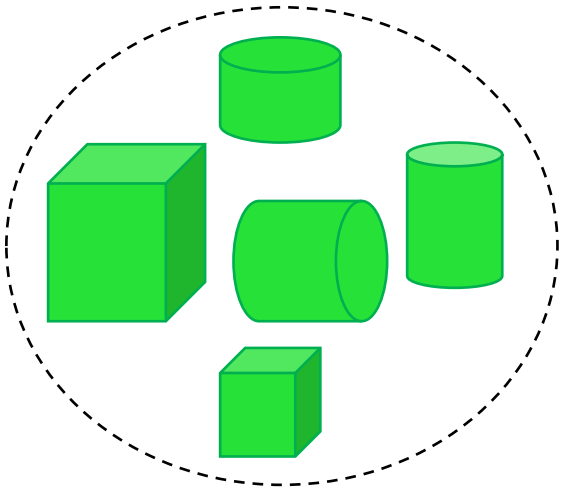


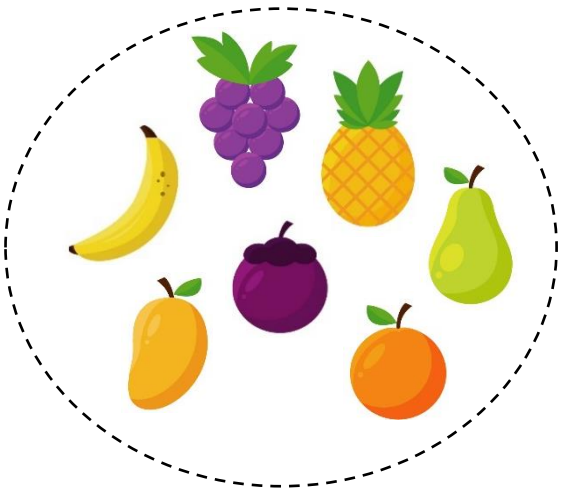
6. Explain in what way the objects have been grouped.

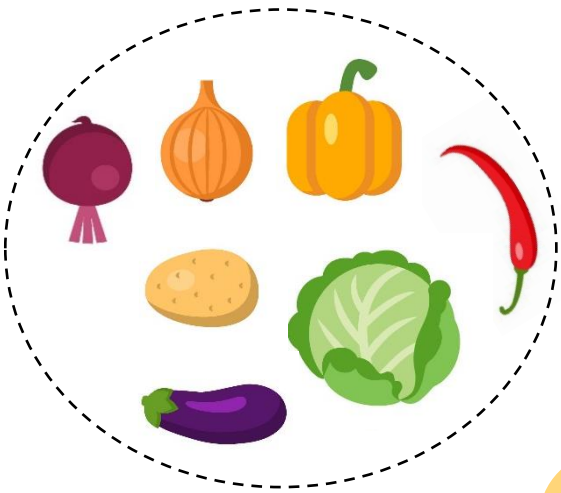






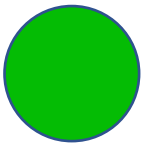


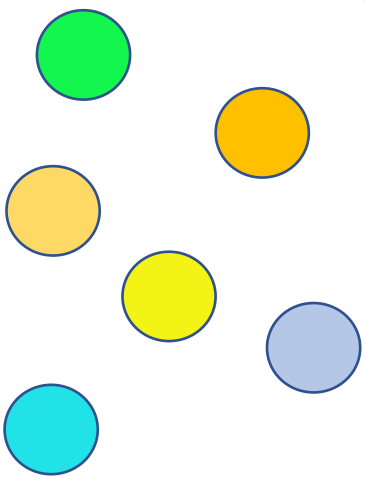


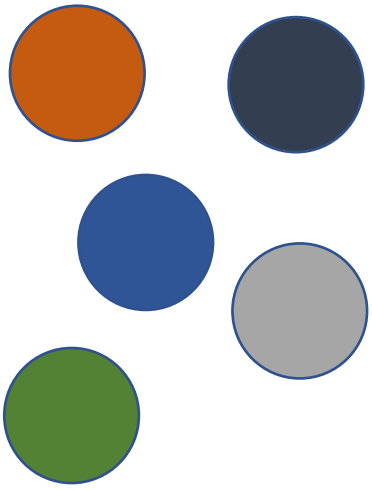


7. Draw a line to put the object in the correct group.

Example:

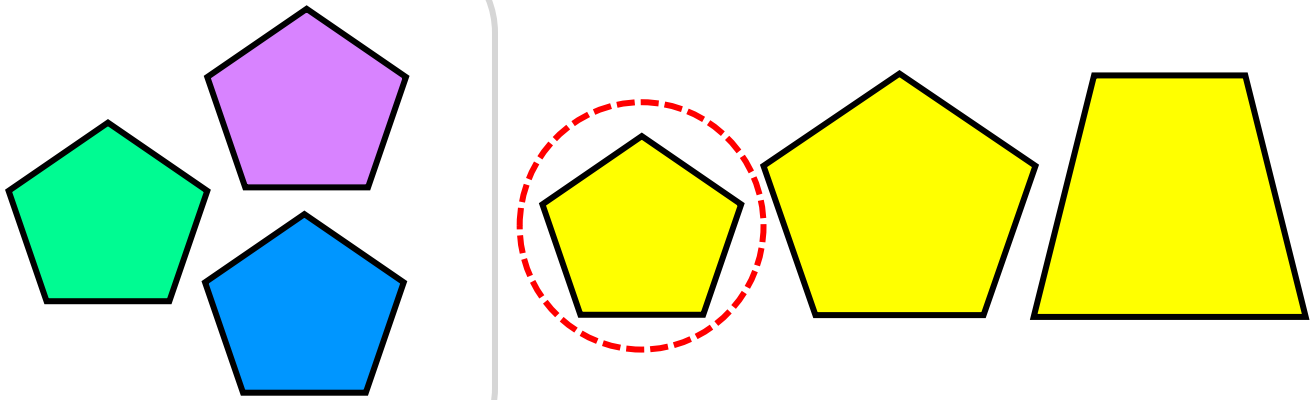


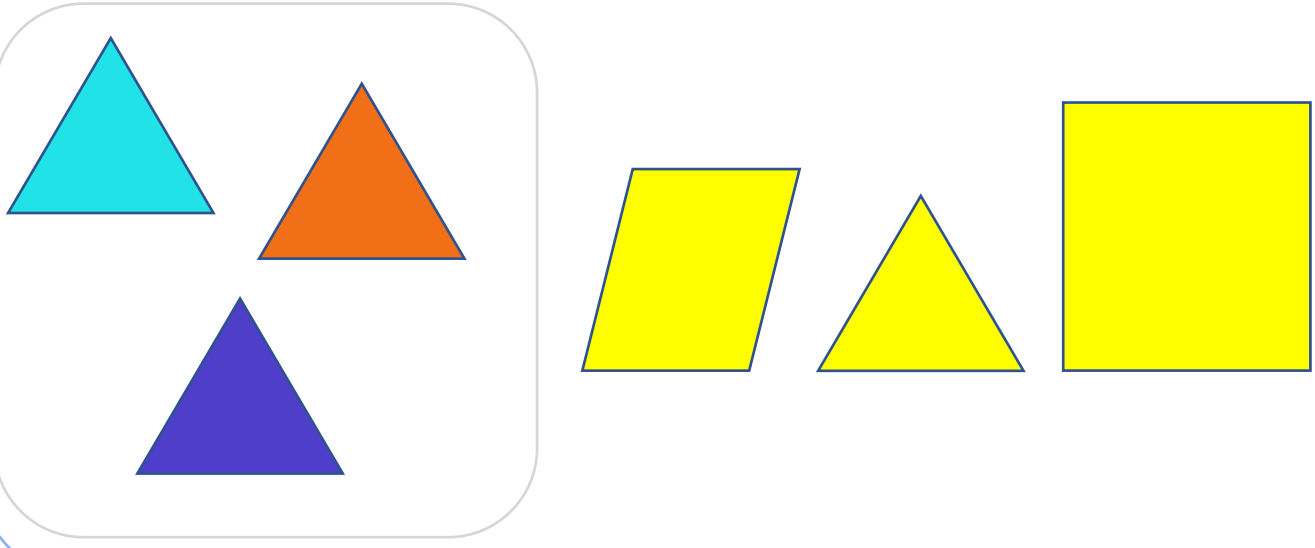


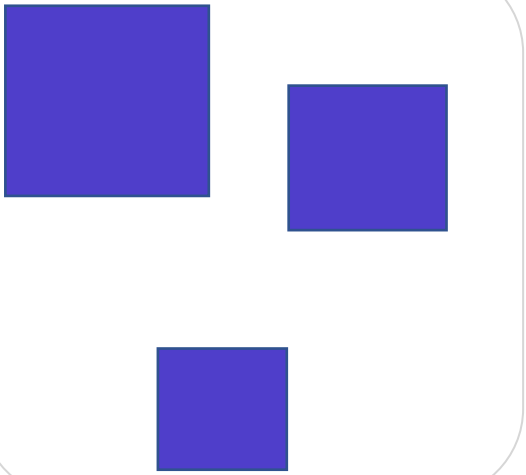


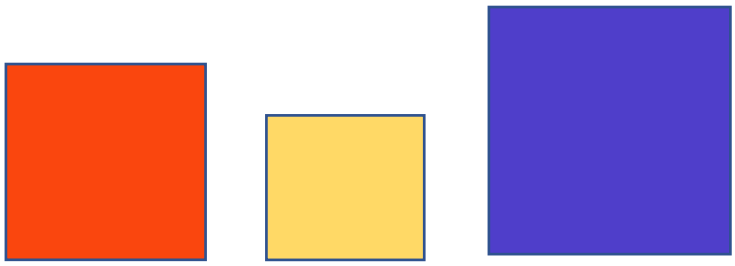
8. Circle the shape that belongs to the group.

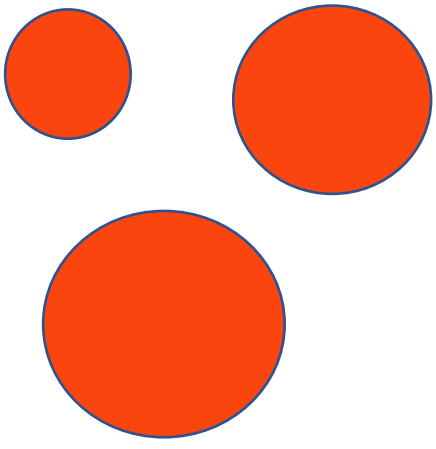
Example:

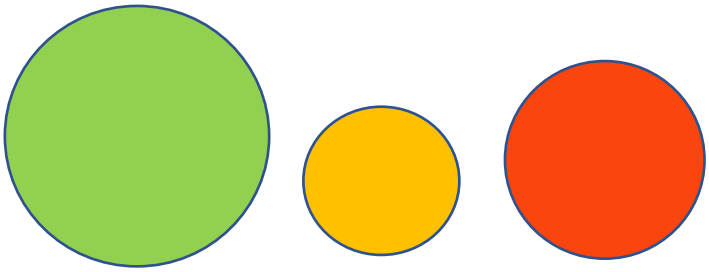




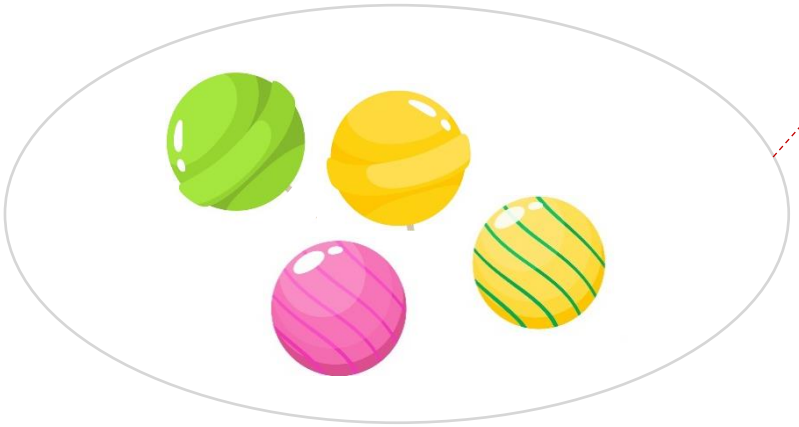


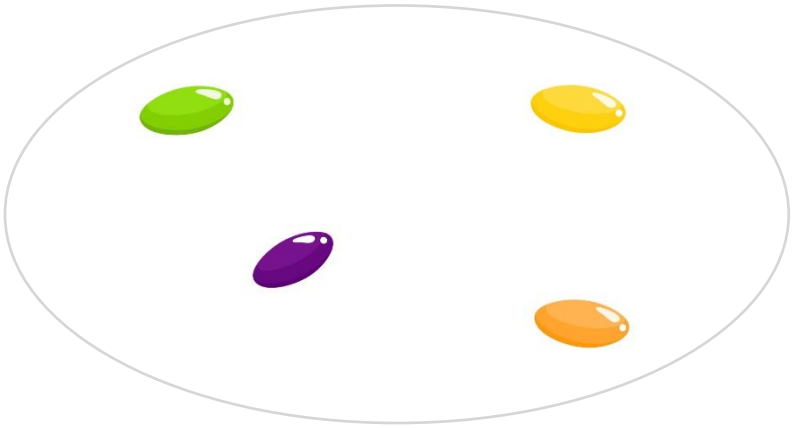


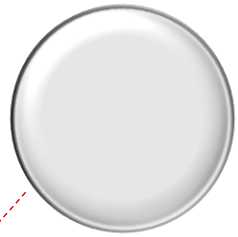




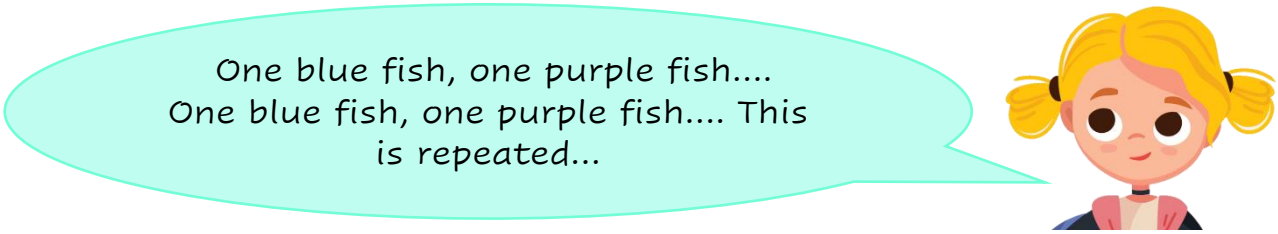
9. Match each sweet with the correct group.



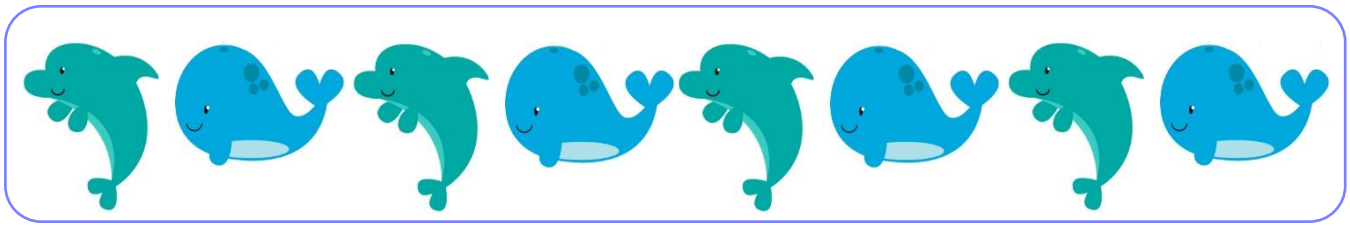


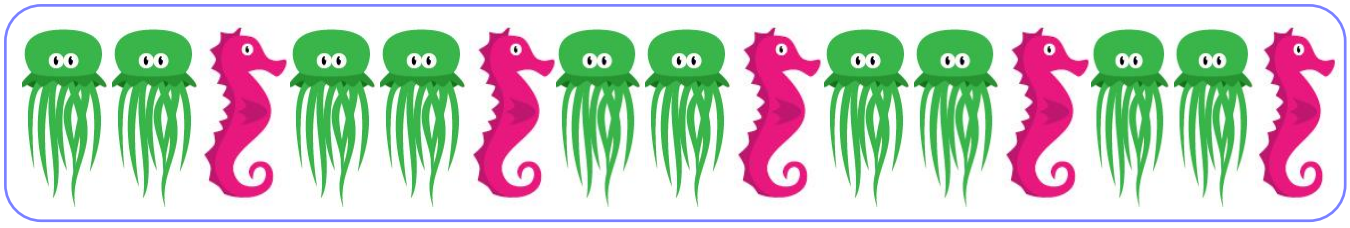


There is a pattern!

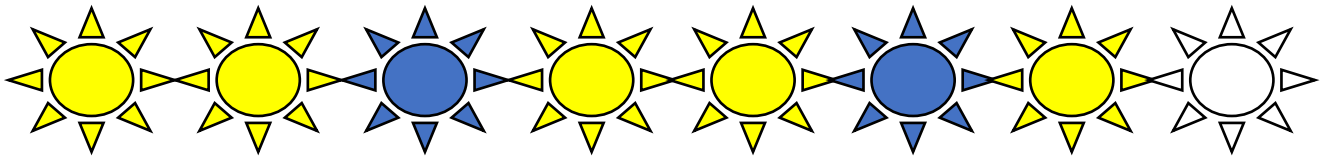


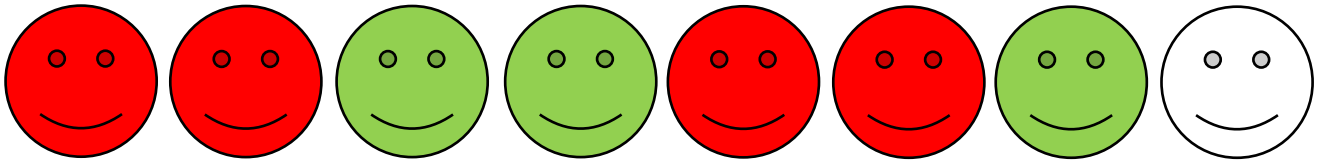
1. Describe each pattern.

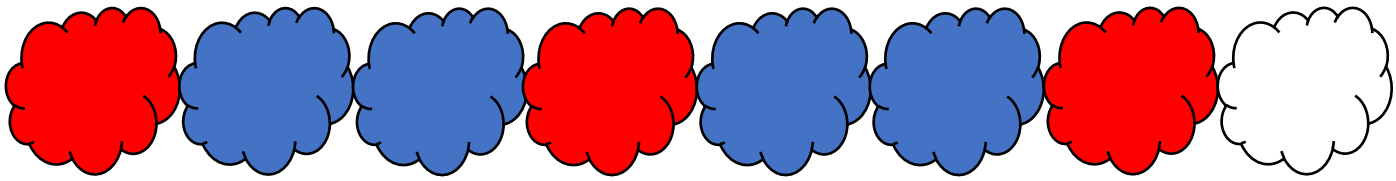




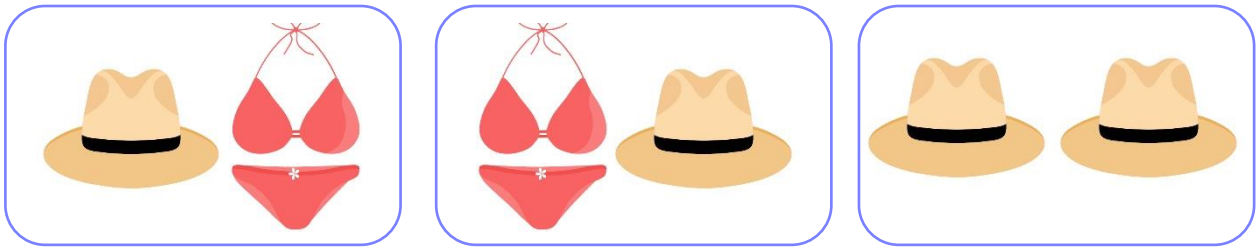
2. Look at the pattern carefully and color in the last shape.

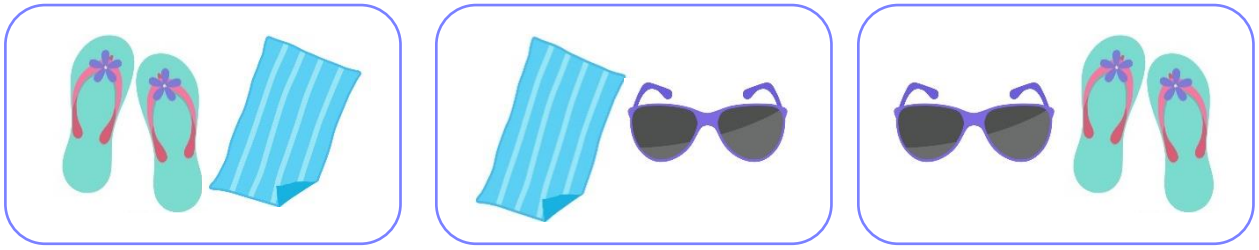


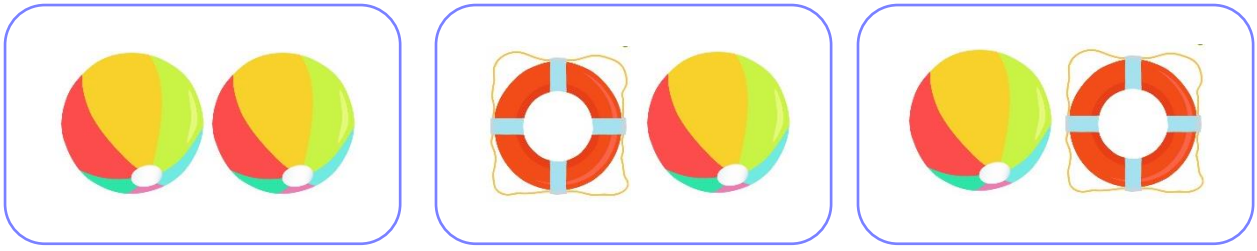




3. Circle the picture that comes next in the pattern.

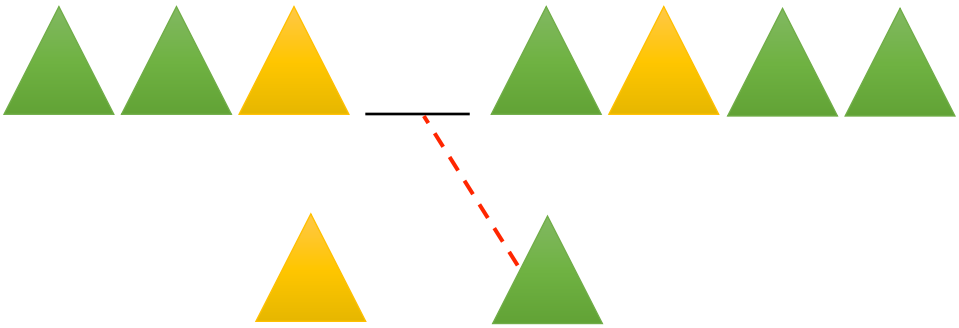


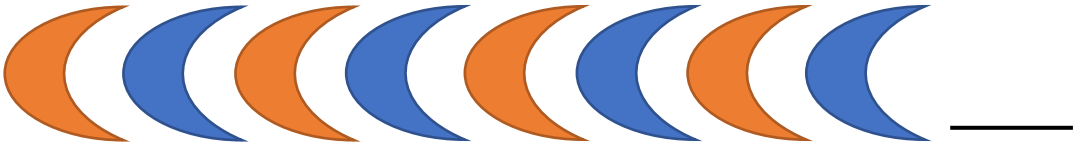


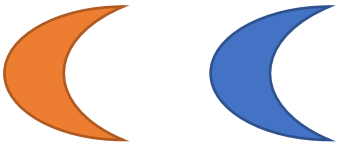


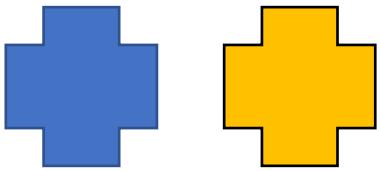
4. Draw a line to select the correct figure?

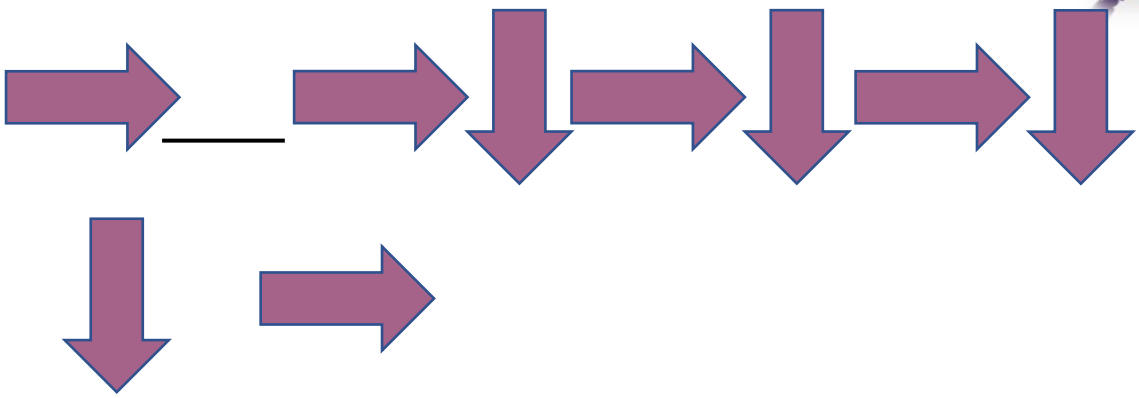
Example:

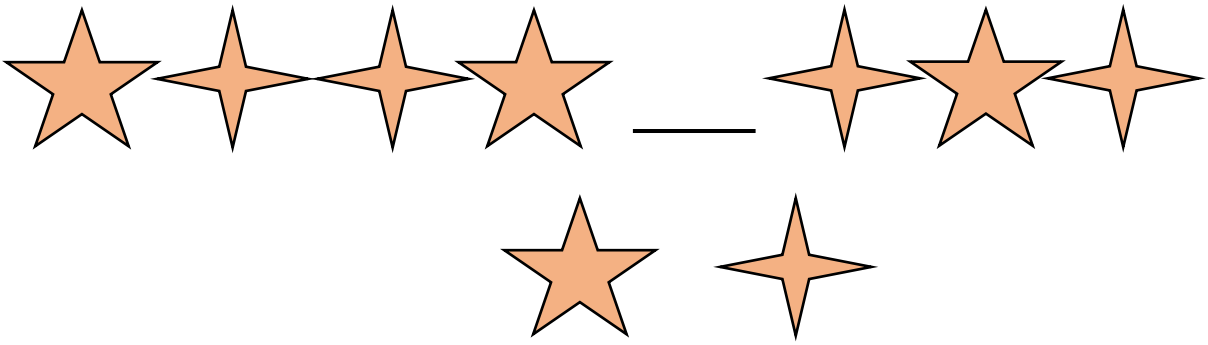


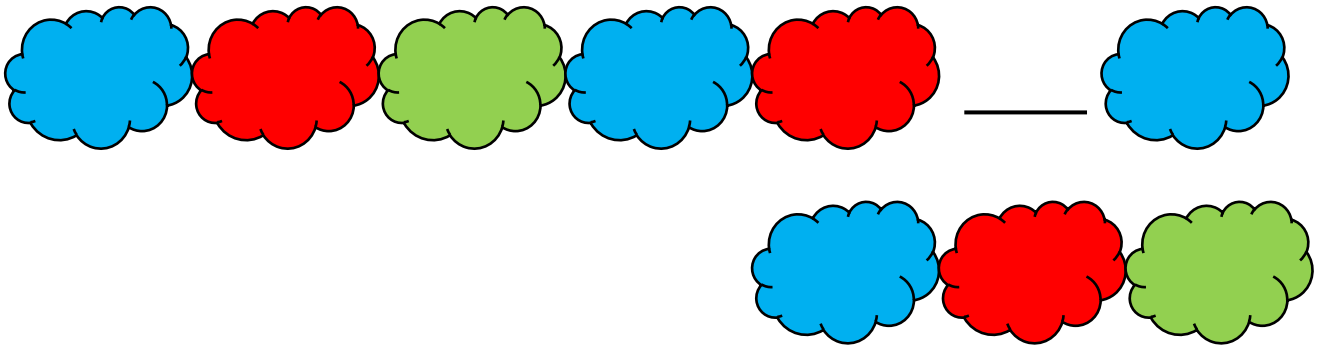


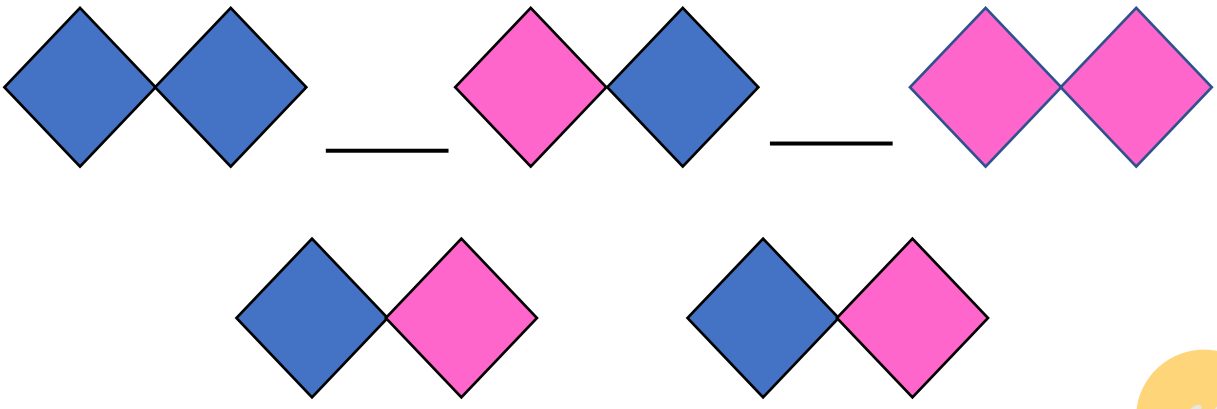




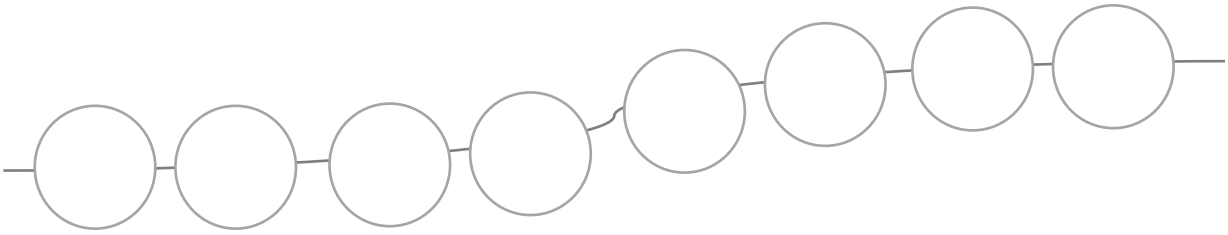


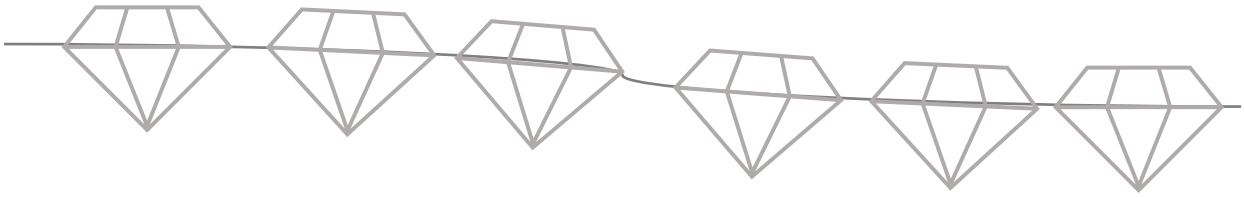


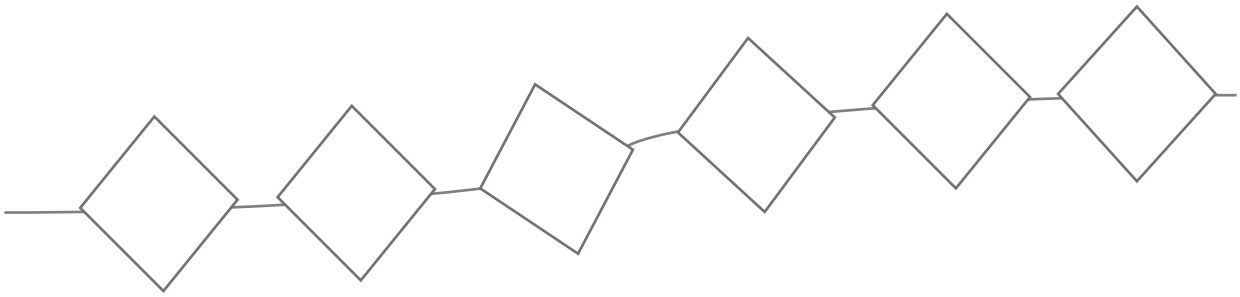


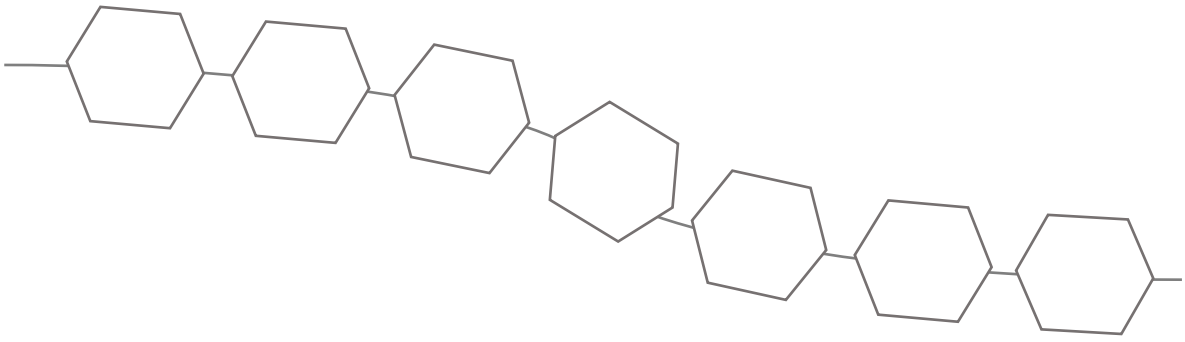


5. Colour to create your own patterns. Create a different pattern each time.









6. Circle the pattern that follows the same rule as the pattern in the first row.
