

Det finns ett mönster!

En blå fisk, en lila fisk... En blå fisk, en lila fisk... Detta upprepas...

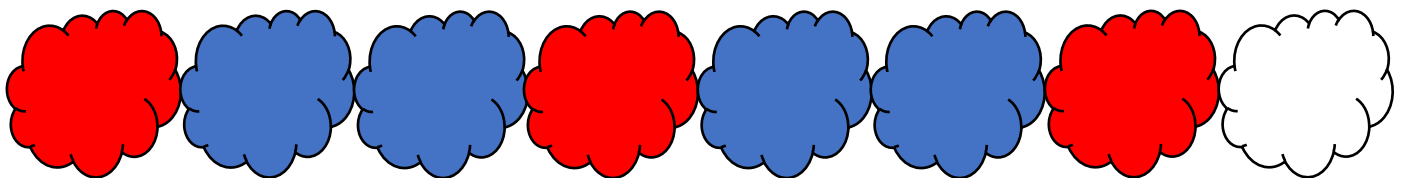

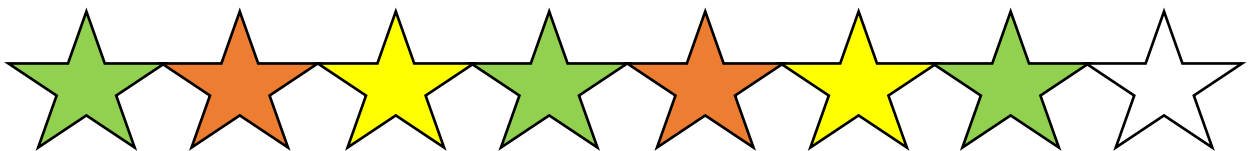

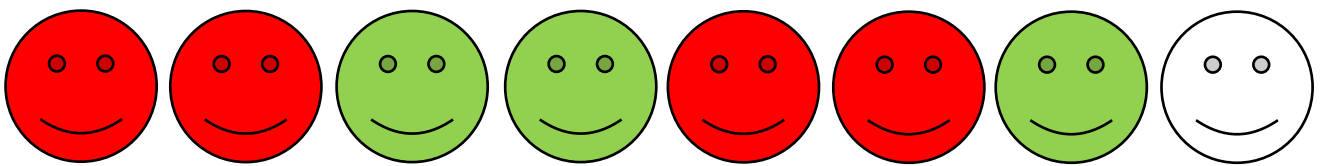

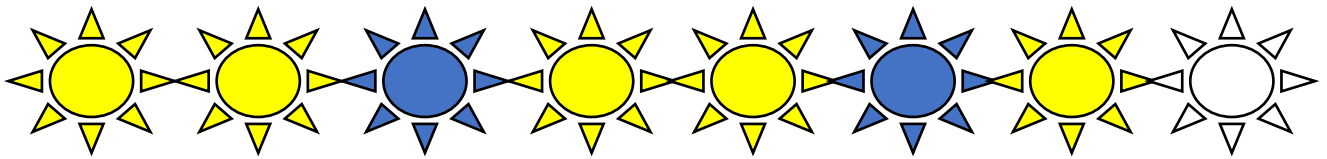

1. Beskriv varje mönster.

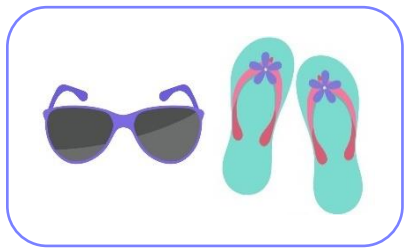

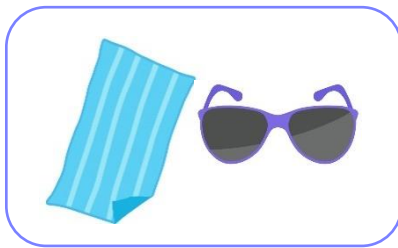

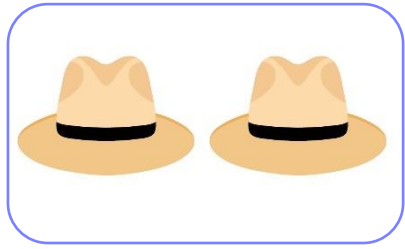

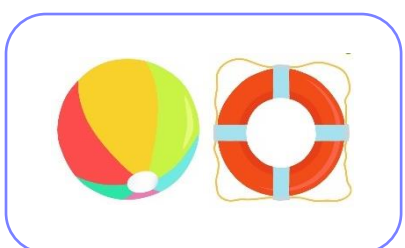

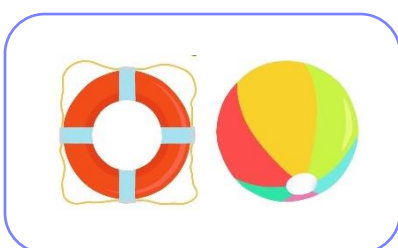

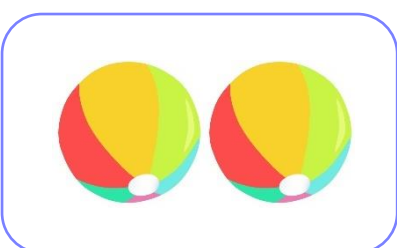

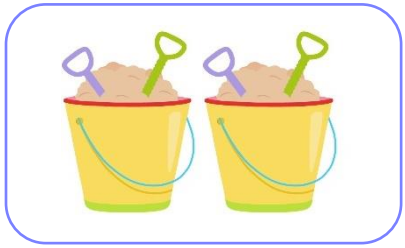

2. Titta noga på mönstret och färglägg den sista formen.

3. Ringa in nästa bild i mönstret.

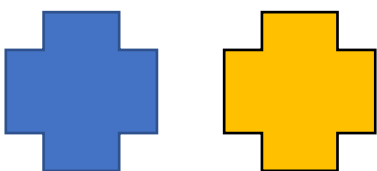

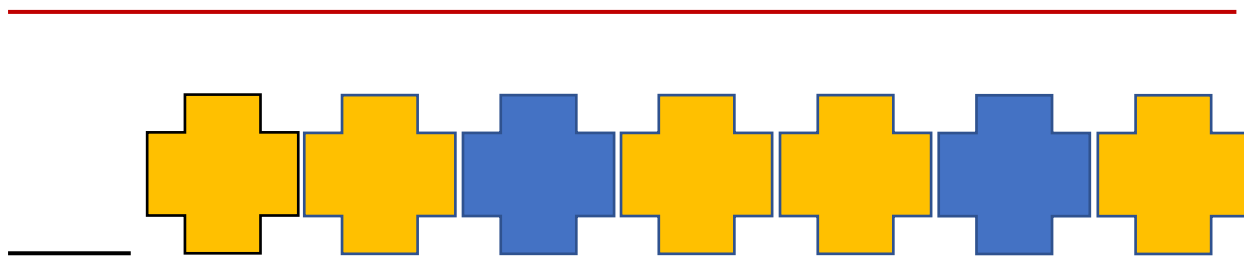

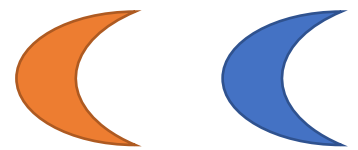

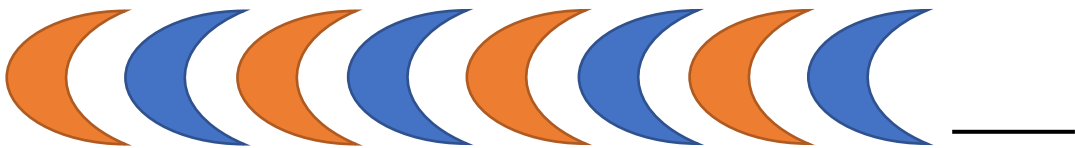

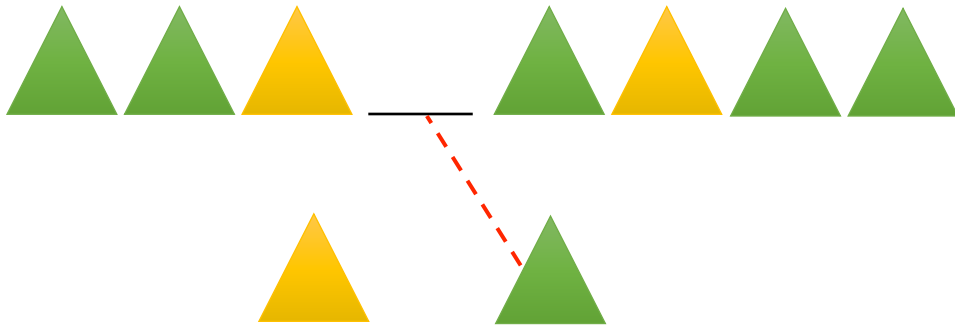

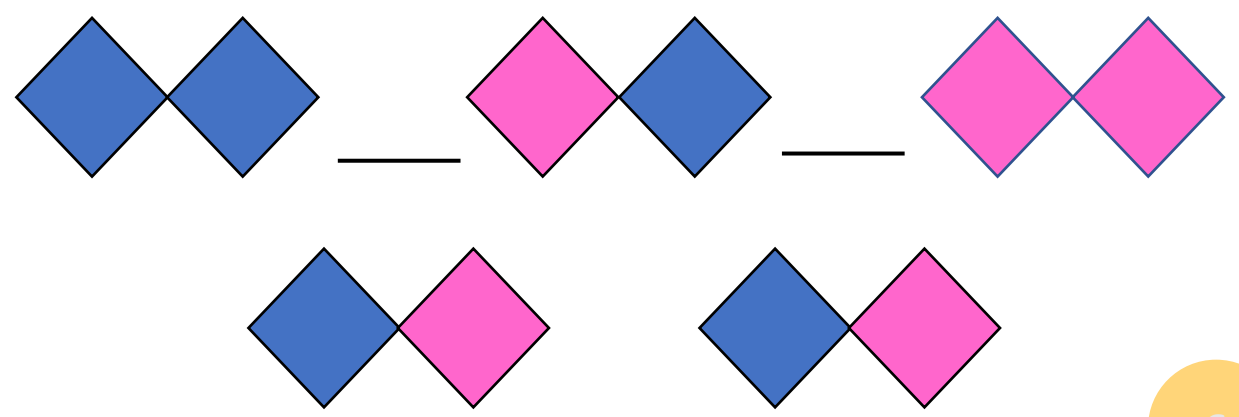

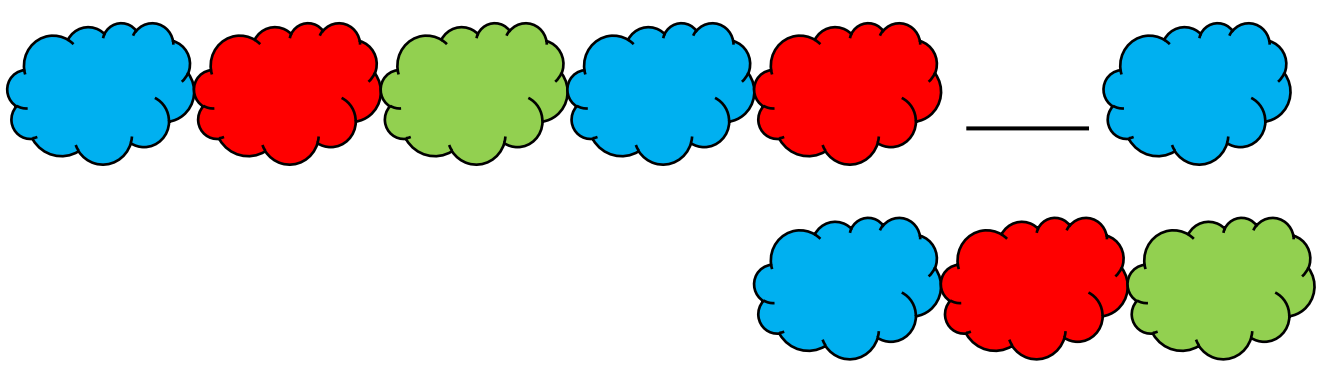

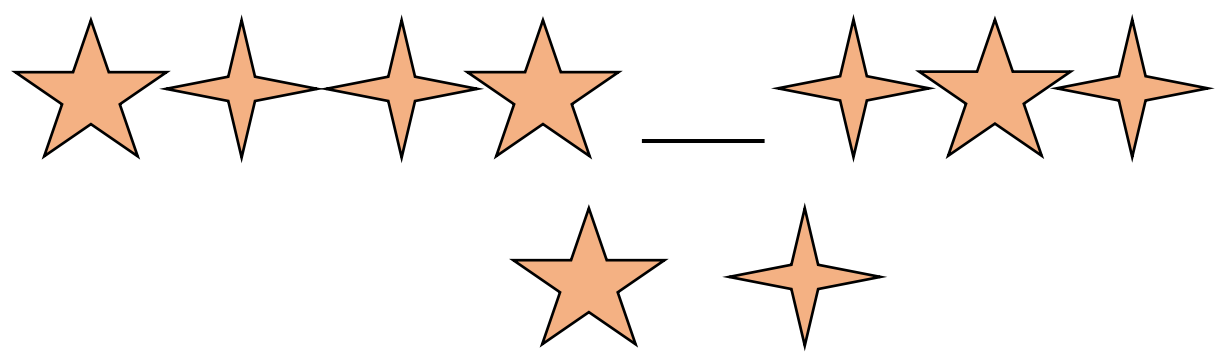

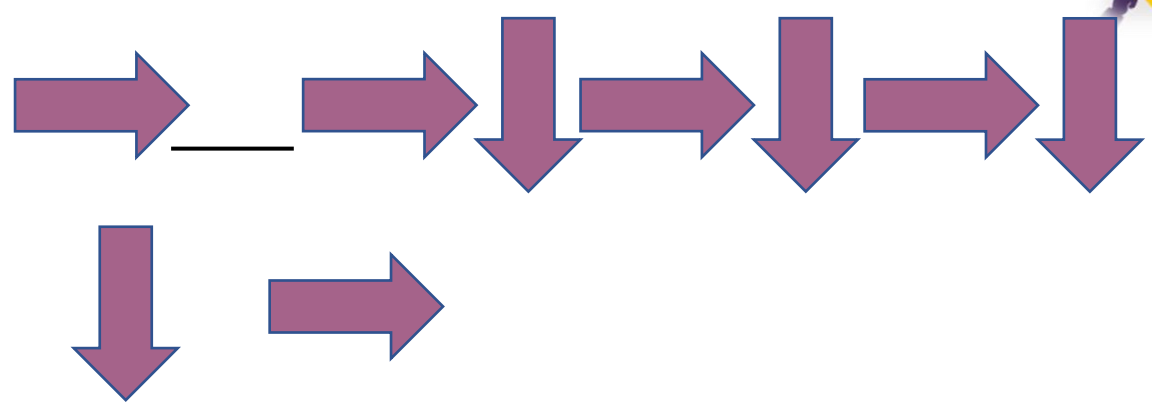

4. Dra en linje för att välja rätt figur.

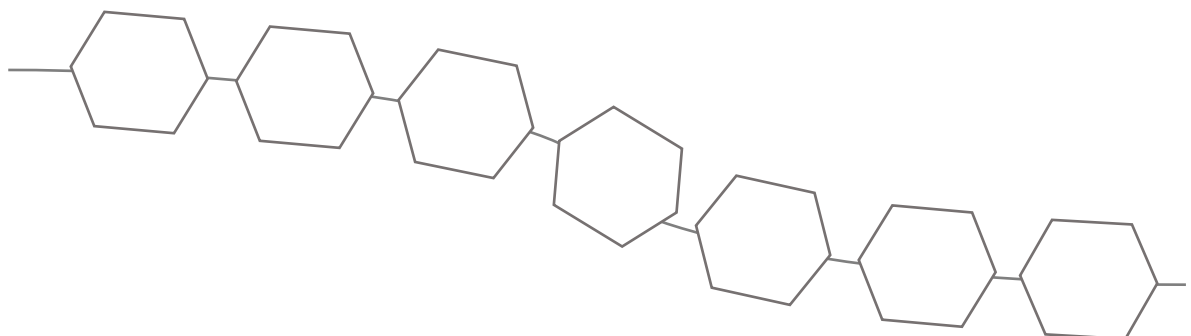

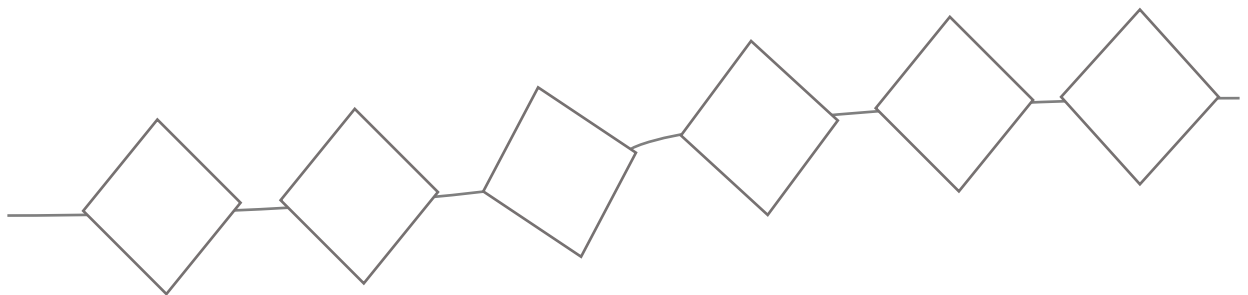

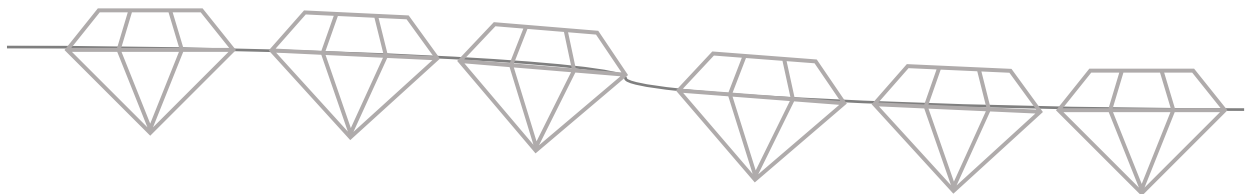

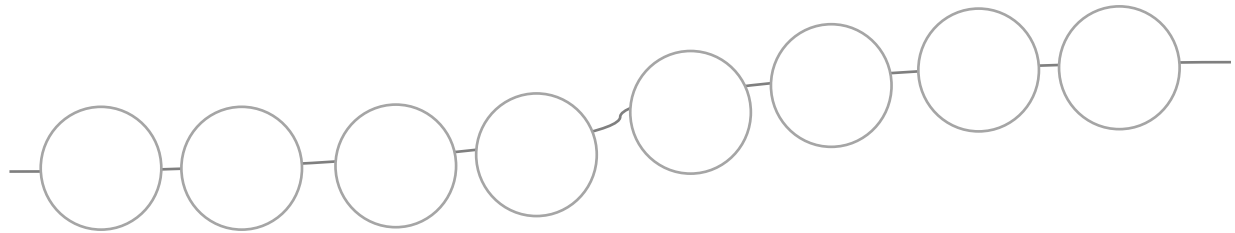

Exempel:

5. Färglägg för att skapa dina egna mönster.
Skapa ett nytt mönster varje gång.

6. Ringa in det mönster som följer samma regel som mönstret i första raden.
